Re: Accreditation Decision - Programme

Dear Stefanos and Danae,

the ECTE Accreditation Commission (AC) in its session on July 26, 2022, granted **full re-accreditation** to Greek Bible College as an Alternative Provider of higher education and its programme Πιστοποιητικό Σπουδών (Certificate of Study) at EQF Level 6 with 180 ECTS-points.

This decision is based on the Final Report submitted by the Review Secretary in February 2022 after the on-site visit in December 2021 and additional representation provided by GBC for the May 17 and July 26, 2022, session of the Commission during which it deemed Greek Bible College to have **fulfilled all requirements**.

[Greek Bible Institute](#) is listed in the ECTE directory on the website with full institutional and programme information. "Under review" will be removed in a few days.

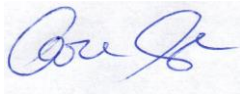

The Accreditation Commission requests that responses to recommendations be included in the Annual Progress Reports (APR's).

Thank you for transparently publishing your accreditation status with ECTE on your website.

The next cyclical review will be due in 2026 – please contact me in 2025 to look at a possible timeline. This will also enable me to share up-to-date information on policies and procedures which will help you in preparing for the review.

Please do not hesitate to contact me as questions arise.

Serving Him with you

Carmen Crouse
Accreditation Director
