**Re: Decision by ECTE Accreditation Commission**

Dear Colleagues,

The ECTE Accreditation Commission (AC) in its session on March 6, 2023 confirmed the requirements based on the Final Review Report submitted in February 2023 following the on-site visit in November 2022.

Accreditation will not be granted until all requirements have been judged as fulfilled by the AC. Documentation of fulfilment of these requirements may be submitted to the AC at any time, but no later than the date indicated per requirement, for the Commission to evaluate compliance in its next session.

Please see the Final Review Report for all recommendations issued by the Visiting Evaluation Team and confirmed by the Accreditation Commission.

The institution will be listed as “under review” and the programmes as “pending review” on the ECTE website until compliance has been ascertained by the Accreditation Commission and all fees are paid in full.

Allow me to mention ICETE Consultancy – this service may provide support as you work on these requirements (information attached to this letter).

Please do not hesitate to contact me as questions arise.

Serving Him with you

Carmen Crouse  
Accreditation Director
